

Product card NS25-T

Symbol:	NS25-T
Product groups:	Raster signal connectors

Product specifications

Type of connector:	wire-board
Connector:	contact
Kind of connector:	female
Application - series/manufacturer:	NS25
Contact plating:	tinned
Wire cross-section:	0.05...0.325mm ²
Wire size:	28AWG...22AWG
Electrical mounting:	crimped
Mechanical mounting:	for cable

Current rating: 3A

Contacts pitch: 2.54mm

Additional information

Gross weight: 0 kg
