| <b>Symbol:</b>         | PLCC-28SMD   |
| <b>Product groups:</b> | PLCC sockets |

## Product specifications

|                                  |                     |
|----------------------------------|---------------------|
| <b>Type of Socket:</b>           | integrated circuits |
| <b>Application:</b>              | PLCC28              |
| <b>Electrical mounting:</b>      | SMT                 |
| <b>Contact material:</b>         | phosphor bronze     |
| <b>Contact plating:</b>          | tinned              |
| <b>Max. operating current:</b>   | 1A                  |
| <b>Max. contact resistance::</b> | 30mΩ                |
| <b>Mechanical mounting:</b>      | on PCBs             |
