

**Symbol:**

ST-082/Y

**Skupina výrobků:**

Insulated terminals

## Parametry výrobku

|                              |                      |
|------------------------------|----------------------|
| <b>Type of tip:</b>          | ring                 |
| <b>Hole for screw:</b>       | M5                   |
| <b>Ring inside diameter:</b> | 5.3mm                |
| <b>Wire cross-section:</b>   | 4...6mm <sup>2</sup> |
| <b>Electrical mounting:</b>  | crimped              |
| <b>Mechanical mounting:</b>  | for cable            |
| <b>Ferrule variant:</b>      | insulated            |
| <b>Contact plating:</b>      | tinned               |
| <b>Colour:</b>               | yellow               |
| <b>Contact material:</b>     | copper               |

## Doplňková informace

|                         |            |
|-------------------------|------------|
| <b>Hmotnost brutto:</b> | 0.00166 kg |
