|------------------------|----------------------------|
| <b>Symbol:</b>         | FS2257-5/NC                |
| <b>Product groups:</b> | Solder terminals PCB mount |

## Product specifications

|                             |                       |
|-----------------------------|-----------------------|
| <b>Type of terminal:</b>    | flat                  |
| <b>Width:</b>               | 6.3mm                 |
| <b>Thickness:</b>           | 0.8mm                 |
| <b>Kind of terminal:</b>    | male                  |
| <b>Hole for screw:</b>      | M5                    |
| <b>Mechanical mounting:</b> | screw                 |
| <b>Contact material:</b>    | brass                 |
| <b>Contact plating:</b>     | nickel plated, tinned |
| <b>Spatial orientation:</b> | angled 45°            |
