

Product card N42G-T1

Symbol:	N42G-T1
Product groups:	Raster signal connectors

Product specifications

Type of connector:	wire-wire
Connector:	contact
Kind of connector:	male
Contact material:	brass
Contact plating:	tinned
Wire cross-section:	0.32...0.82mm ²
Wire size:	22AWG...18AWG
Mounting:	crimped, on cable
Maximum current:	9A
Contacts pitch:	4.2mm
Operating temperature:	-40...105°C

Additional information

Gross weight:	0 kg
