

Symbol:	NS39-T
----------------	--------

Product groups:	Raster signal connectors
------------------------	--------------------------

Product specifications

Type of connector:	wire-board
---------------------------	------------

Connector:	contact
-------------------	---------

Kind of connector:	female
---------------------------	--------

Application - series/manufacturer:	NS39
---	------

Wire cross-section:	0.3...0.9mm ²
----------------------------	--------------------------

Electrical mounting:	crimped
-----------------------------	---------

Current rating:	7A
------------------------	----

Contacts pitch:	3.96mm
------------------------	--------

Additional information

Gross weight:

0 kg
