

Product card SOLCON4

Symbol:	SOLCON4
Product groups:	Solar connectors

Product specifications

Type of connector:	solar
Connector:	plug
Kind of connector:	male + female
Current rating:	20A
Rated voltage:	1kV
IP rating:	IP67
Spatial orientation:	straight
Mechanical mounting:	for cable
Electrical mounting:	crimped
Wire cross-section:	2.5...4mm ²
Kit contents:	complete set
Connector variant:	with contacts
Operating temperature:	-40...85°C
Connectors application:	photovoltaics

Additional information

Gross weight: 0.021 kg
