| <b>Symbol:</b>          | JC-001          |
| <b>Skupina výrobků:</b> | Jack connectors |

### Parametry výrobku

|                             |                          |
|-----------------------------|--------------------------|
| <b>Type of connector:</b>   | Jack 2,5mm               |
| <b>Connector:</b>           | plug                     |
| <b>Kind of connector:</b>   | male                     |
| <b>Connector variant:</b>   | mono, with strain relief |
| <b>Number of ways:</b>      | 2                        |
| <b>Spatial orientation:</b> | straight                 |
| <b>Mechanical mounting:</b> | for cable                |
| <b>Electrical mounting:</b> | soldering                |
