

Symbol:	NLSG-T
Manufacturer part number:	NSLG-T
Product groups:	Raster signal connectors

Product specifications

Type of connector:	wire-wire
Connector:	contact
Kind of connector:	male
Connector family:	data
Maximum current:	13A
Contact material:	brass
Application - series/manufacturer:	NLS
Contact plating:	tinned

Wire cross-section:	0.5...1.5mm^2
Wire size:	20AWG...16AWG
Electrical mounting:	crimped
Connectors application:	1pin - 5pin connectors

Additional information

Gross weight:	0 kg
