

Symbol:	PS28B-2
Product groups:	Push Button Switches

Product specifications

Type of switch:	vandal resistant
Number of positions:	2
Stable positions number:	1
Contacts configuration:	SPST-NO
AC contacts rating @R:	2A / 250V AC
IP rating:	IP40
Switching method:	OFF-(ON)
Leads:	screw terminals

Electrical life:	50000 cycles
Max. contact resistance::	20mΩ
Button shape:	flat
Mounting hole dimensions:	Ø19mm
Body colour:	silver
Body material:	stainless steel
Operating temperature:	-25...85°C

Additional information

Gross weight:	0.021 kg
