

Product card SOLCON4-FUSE20

Symbol:	SOLCON4-FUSE20
----------------	----------------

Product groups:	Solar connectors
------------------------	------------------

Product specifications

Type of transition:	coupler
----------------------------	---------

IP rating:	IP67
-------------------	------

Spatial orientation:	straight
-----------------------------	----------

Maximum current:	20A
-------------------------	-----

Fuse size:	10.3x38mm
-------------------	-----------

Cable/adapter structure:	solar female, solar male
---------------------------------	--------------------------

Design:	fuse x1
----------------	---------

Additional information

Gross weight:	0.044 kg
----------------------	----------
