

Symbol:	WLK-4MINI
Product groups:	Microswitches SNAP ACTION

Product specifications

Type of switch:	microswitch SNAP ACTION
AC contacts rating @R:	5A / 250V AC
Switches features:	with lever (with roller)
Contacts configuration:	SPDT
Max. contact resistance::	30mΩ
Switching method:	ON-(ON)
Number of positions:	2
Stable positions number:	1

IP rating:	IP40
Leads:	for soldering
Body dimensions:	19.8x6.4x10.6mm
Operating temperature:	-25...65°C
Operating Force:	1.5N
Lever length:	17mm
Electrical life:	30000 cycles
Min. insulation resistance:	0.1GΩ
Terminal pitch:	7.3mm

Additional information

Gross weight:	0.003 kg
