|-------------------------|-------------------|
| Symbol: | PS24202P |
| Skupina výrobků: | Standard Switches |

Parametry výrobku

| | |
|----------------------------------|--------------|
| Type of switch: | push-button |
| Number of positions: | 2 |
| Stable positions number: | 2 |
| AC contacts rating @R: | 1A / 250V AC |
| Switching method: | ON-ON |
| Illumination: | none |
| Leads: | for PCB |
| Electrical life: | 50000 cycles |
| Max. contact resistance:: | 20mΩ |
| Body colour: | black |
| Actuator colour: | grey |
| Operating temperature: | -25...85°C |
