| Symbol: | PS28B-2 |
| Skupina výrobků: | Push Button Switches |

Parametry výrobku

| | |
|----------------------------------|------------------|
| Type of switch: | vandal resistant |
| Number of positions: | 2 |
| Stable positions number: | 1 |
| Contacts configuration: | SPST-NO |
| AC contacts rating @R: | 2A / 250V AC |
| IP rating: | IP40 |
| Switching method: | OFF-(ON) |
| Leads: | screw terminals |
| Electrical life: | 50000 cycles |
| Max. contact resistance:: | 20mΩ |
| Button shape: | flat |
| Mounting hole diameter: | Ø19mm |
| Body colour: | silver |
| Body material: | stainless steel |

**Operating
temperature:**

-25...85°C
