|-------------------------|-------------------------|
| <b>Symbol:</b>          | ST-096/4                |
| <b>Skupina výrobků:</b> | Non-insulated terminals |

## Parametry výrobku

|                             |                          |
|-----------------------------|--------------------------|
| <b>Type of tip:</b>         | fork                     |
| <b>Hole for screw:</b>      | M5                       |
| <b>Wire cross-section:</b>  | 1.5...2.5mm <sup>2</sup> |
| <b>Electrical mounting:</b> | crimped                  |
| <b>Mechanical mounting:</b> | for cable                |
| <b>Ferrule variant:</b>     | non-insulated            |
| <b>Contact plating:</b>     | tinned                   |
| <b>Contact material:</b>    | copper                   |
