

Symbol:	ZL301-2X20P
----------------	-------------

Product groups:	Pin headers
------------------------	-------------

Product specifications

Type of connector:	pin strips
---------------------------	------------

Connector:	pin header
-------------------	------------

Kind of connector:	male
---------------------------	------

Number of pins:	40
------------------------	----

Electrical mounting:	SMT
-----------------------------	-----

Spatial orientation:	vertical
-----------------------------	----------

Maximum current:	1A
-------------------------	----

Contacts pitch:	2.54mm
------------------------	--------

Connector pinout layout:	2x20
---------------------------------	------

Contact plating:	gold-plated
-------------------------	-------------

Additional information

Gross weight:

0.002 kg
