

Symbol:	IND8-24Y-A
Product groups:	LED Panel Mount Indicators

Product specifications

Type of light indicator:	LED
Kind of indicator:	prominent
Lamp colour:	yellow
Operating voltage:	24V DC
Mounting hole diameter:	Ø8.2mm
IP rating:	IP40
Leads:	for soldering
Body material:	metal
LED diameter:	5mm

Body colour: silver

Operating temperature: -25...70°C

Additional information

Gross weight: 0.004 kg
