

Symbol:	C2200-40BDGATPR
----------------	-----------------

Product groups:	Pin headers
------------------------	-------------

Product specifications

Type of connector:	pin strips
---------------------------	------------

Connector:	pin header
-------------------	------------

Kind of connector:	male
---------------------------	------

Number of pins:	40
------------------------	----

Electrical mounting:	SMT
-----------------------------	-----

Connector pinout layout:	2x20
---------------------------------	------

Contact plating:	gold flash
-------------------------	------------

Row pitch:	2.54mm
-------------------	--------

Additional information

Gross weight:	0.002 kg
----------------------	----------
