

Symbol:	USBB-G-SMD
----------------	------------

Product groups:	USB & IEEE1394 connectors
------------------------	---------------------------

Product specifications

Type of connector:	USB B
---------------------------	-------

Connector:	socket
-------------------	--------

Electrical mounting:	SMT
-----------------------------	-----

Spatial orientation:	horizontal
-----------------------------	------------

Additional information

Gross weight:	0.004 kg
----------------------	----------
