## Parametri produs

|                      |       |
|----------------------|-------|
| <b>Tip conector:</b> | D-Sub |
|----------------------|-------|

|                         |    |
|-------------------------|----|
| <b>Numărul de pini:</b> | 50 |
|-------------------------|----|

|                  |      |
|------------------|------|
| <b>Conector:</b> | mufă |
|------------------|------|

|                         |      |
|-------------------------|------|
| <b>Subtip conector:</b> | tată |
|-------------------------|------|

|                          |          |
|--------------------------|----------|
| <b>Montare mecanică:</b> | pe cablu |
|--------------------------|----------|

|                           |        |
|---------------------------|--------|
| <b>Montare electrică:</b> | lipire |
|---------------------------|--------|

|                        |    |
|------------------------|----|
| <b>Curent nominal:</b> | 5A |
|------------------------|----|

|                         |            |
|-------------------------|------------|
| <b>Placare contact:</b> | gold flash |
|-------------------------|------------|
