| <b>product.pip.manufacturerSymbol:</b> | PLCC 32      |
| <b>Skupina výrobků:</b>                | PLCC sockets |

### Parametry výrobku

|                                |                     |
|--------------------------------|---------------------|
| <b>Type of Socket:</b>         | integrated circuits |
| <b>Application:</b>            | PLCC32              |
| <b>Electrical mounting:</b>    | THT                 |
| <b>Contact material:</b>       | phosphor bronze     |
| <b>Contact plating:</b>        | tinned              |
| <b>Max. operating current:</b> | 1A                  |
| <b>Soldering temperature:</b>  | 260°C / 10 s        |

### Doplňková informace

|                         |             |
