

Symbol:	GOLD-22P
Manufacturer part number:	GOLD 22P
Product groups:	Precision sockets

Product specifications

Type of Socket:	integrated circuits
Application:	DIP22
Terminal pitch:	2.54mm
Connector variant:	precision
Electrical mounting:	THT
Contact plating:	gold-plated
Row pitch:	10.16mm
Body material:	polyester

Max. contact resistance::	3mΩ
Flammability rating:	UL94V-0
Pin diameter:	0.51mm
Maximum current:	1A
Sockets features:	bushing contacts, round pins
Operating temperature:	-40...105°C

Additional information

Gross weight:	0.001 kg
