

Symbol:	MFW-06
Product groups:	Raster signal connectors

Product specifications

Type of connector:	wire-board
Connector:	plug
Kind of connector:	female
Connector family:	data
Number of pins:	6
Connector variant:	w/o contacts
Contacts pitch:	3mm
Maximum current:	5A
Locking system:	latch
Connector pinout layout:	2x3

Mechanical mounting:	for cable

Additional information

Gross weight:	0.001 kg
