

Symbol:	NHG-01
----------------	--------

Product groups:	Raster signal connectors
------------------------	--------------------------

Product specifications

Type of connector:	wire-board
---------------------------	------------

Connector:	plug
-------------------	------

Kind of connector:	female
---------------------------	--------

Contacts pitch:	5/7.5mm
------------------------	---------

Number of pins:	1
------------------------	---

Connector variant:	w/o contacts
---------------------------	--------------

Mechanical mounting:	for cable
-----------------------------	-----------

Rated voltage:	0.25kV
-----------------------	--------

Flammability rating:	UL94V-0
-----------------------------	---------

Operating temperature:	-25...85°C
-------------------------------	------------

Enclosure material:	polyamide
----------------------------	-----------

B dimension:	5.9mm
---------------------	-------

Additional information

Gross weight:	0 kg
----------------------	------
