

| | |
|----------------|--------|
| Symbol: | NHG-03 |
|----------------|--------|

| | |
|------------------------|--------------------------|
| Product groups: | Raster signal connectors |
|------------------------|--------------------------|

Product specifications

| | |
|---------------------------|------------|
| Type of connector: | wire-board |
|---------------------------|------------|

| | |
|-------------------|------|
| Connector: | plug |
|-------------------|------|

| | |
|---------------------------|--------|
| Kind of connector: | female |
|---------------------------|--------|

| | |
|------------------------|---------|
| Contacts pitch: | 5/7.5mm |
|------------------------|---------|

| | |
|------------------------|---|
| Number of pins: | 3 |
|------------------------|---|

| | |
|---------------------------|--------------|
| Connector variant: | w/o contacts |
|---------------------------|--------------|

| | |
|-----------------------------|-----------|
| Mechanical mounting: | for cable |
|-----------------------------|-----------|

| | |
|-----------------------|--------|
| Rated voltage: | 0.25kV |
|-----------------------|--------|

| | |
|-----------------------------|---------|
| Flammability rating: | UL94V-0 |
|-----------------------------|---------|

| | |
|-------------------------------|------------|
| Operating temperature: | -25...85°C |
|-------------------------------|------------|

| | |
|---------------------|-----|
| A dimension: | 5mm |
|---------------------|-----|

| | |
|----------------------------|-----------|
| Enclosure material: | polyamide |
|----------------------------|-----------|

| | |
|---------------------|--------|
| B dimension: | 17.5mm |
|---------------------|--------|

Additional information

| | |
|----------------------|----------|
| Gross weight: | 0.001 kg |
|----------------------|----------|
