

Symbol:	NSL-G
Product groups:	Neon Indicators

Product specifications

Type of light indictaor:	with FLUO neon lamp
Kind of indicator:	prominent
Lamp colour:	green
Operating voltage:	230V AC
Mounting hole dimensions:	Ø10mm
Leads:	for soldering
Body material:	plastic
Body colour:	green
IP rating:	IP20

Overall length:	45mm
Face dimensions:	12x16mm
Operating temperature:	-25...70°C

Additional information

Gross weight:	0.004 kg
