|------------------------|------------------|
| Symbol: | SOLCON10 |
| Product groups: | Solar connectors |

Product specifications

| | |
|-----------------------------|-----------------------|
| Type of connector: | solar |
| Connector: | plug |
| Kind of connector: | male + female |
| Current rating: | 30A |
| Rated voltage: | 1.5kV |
| IP rating: | IP67 |
| Spatial orientation: | straight |
| Mechanical mounting: | for cable |
| Electrical mounting: | crimped |
| Wire cross-section: | 6...10mm ² |

| | |
|--------------------------------|---------------|
| Kit contents: | complete set |
| Connector variant: | with contacts |
| Operating temperature: | -40...85°C |
| Connectors application: | photovoltaics |

Additional information

| | |
