

Product card WLK-5MINI

| | |
|------------------------|---------------------------|
| Symbol: | WLK-5MINI |
| Product groups: | Microswitches SNAP ACTION |

Product specifications

| | |
|----------------------------------|-----------------------------------|
| Type of switch: | microswitch SNAP ACTION |
| AC contacts rating @R: | 5A / 250V AC |
| Switches features: | with lever with roller simulation |
| Contacts configuration: | SPDT |
| Max. contact resistance:: | 30mΩ |
| Switching method: | ON-(ON) |
| Number of positions: | 2 |
| Stable positions number: | 1 |
| IP rating: | IP40 |
| Leads: | for soldering |
| Body dimensions: | 19.8x6.4x10.6mm |
| Operating temperature: | -25...65°C |
| Operating Force: | 1.5N |
| Lever length: | 17mm |

Electrical life: 30000 cycles

Min. insulation resistance: 0.1GΩ

Terminal pitch: 7.3mm

Additional information

Gross weight: 0.002 kg
