| <b>Symbol:</b>          | ST-082/B            |
| <b>Skupina výrobků:</b> | Insulated terminals |

## Parametry výrobku

|                              |                          |
|------------------------------|--------------------------|
| <b>Type of tip:</b>          | ring                     |
| <b>Hole for screw:</b>       | M5                       |
| <b>Ring inside diameter:</b> | 5.3mm                    |
| <b>Wire cross-section:</b>   | 1.5...2.5mm <sup>2</sup> |
| <b>Electrical mounting:</b>  | crimped                  |
| <b>Mechanical mounting:</b>  | for cable                |
| <b>Ferrule variant:</b>      | insulated                |
| <b>Contact plating:</b>      | tinned                   |
| <b>Colour:</b>               | blue                     |
| <b>Contact material:</b>     | copper                   |

## Doplňková informace

|                         |             |
